

# Opshop, Cosmonauts Boot

Silence has eloquence  
Makin sense of evidence  
Where no evidence of absence could be found

And then silence is broken  
Were liftin our voices up to move some air  
Out here

[Chorus]  
In this quantum soup  
In baby shoes  
Were not alone  
Were not alone  
In this cosmonauts boot  
On the back page of the daily afternoon  
Were not alone  
Were not alone

And this world is wired  
Increasingly into an organic whole  
(Whole, whole, whole)

And humanity sent out a message  
Wanted to know if - if we were all clones  
Who strayed far from home

In this quantum soup  
In nothin but baby shoes  
Were not alone  
Were not alone  
In this cosmonauts boot  
On the back page of the daily afternoon  
Were not alone  
Were not alone

Oh-oh-oh oh  
Yeah  
Oh-oh-oh oh

Yeah  
Oh-oh  
Ah ha-ah

In this quantum soup  
In nothin but baby shoes  
Were not alone  
Were not alone  
In this cosmonauts boot  
Oh, whos got the guts whos gonna break the news  
Were not alone  
Were not alone

Oh-woah
