

# Opshop, Helpless

Ho!

Come gather round but ignore all the gossip  
You know you're welcome around here whenever you like  
Whenever you like

Did I mention that the ocean gives us  
Every second breath  
So please don't sigh  
Don't sigh

[Chorus]  
Cause I can see it happenin'  
We can hear it happenin' to us  
So why do we feel so - helpless

We see it on the faces of the mothers and fathers  
I can't help but make meaning everyday  
Oh what would you say, oh

Where's my grief  
Who are my angels  
Not a day goes by I don't wonder to whom should I pray  
Maybe it's the priest in the flames

And I can see it happenin'  
We can hear it happenin' to us  
So why do we feel so helpless

We can see it happenin'  
We all know it's happenin' to us  
Oh-woah

[Music]

So - come gather around  
Just one more time  
I need to see your faith again

So come gather around  
For just one more time  
I need to see your  
See your  
I need to see your  
Face again
