

Opus III, Dreaming Of Now

(Zhamzury)

VERSE 1

I'm here all by myself and waitin'

For your call

You said you'd call me up

I really don't understand

BRIDGE

Tell me baby what you want

Is there anything at all

I will do it baby

C'mon baby understand

I just want to be your man

Cause I can't wait another day

You, you are the one for me

You bring me joy

I need all your love girl

I' I am the one for you

I bring you joy

You need all my love girl

VERSE 2

I know you want me too

I feel it deep inside of me

So why is it so hard for you and show

Your love for me

BRIDGE

CHORUS 2X

2nd CHORUS

So many nights, I've cried I'm all alone

(Thinking about our love)

Coz you are all I need

Only you

ENDING CHORUS
