

# Orange 9mm, Suspect

That depends, is it gone, is it gone  
First words to fly from the pessimist's gun  
So wouldn't you take them for what they are  
Just words, just words  
Taken for what they are  
They can still tear down our relations  
We won't stay the same  
Save what follows  
We can't stay the same  
What stays the same deceives the simple and...  
My defense isn't all, isn't all  
My thoughts when i felt the world spinning wrong  
So wouldn't you take them for what they are  
Just thoughts, just thoughts  
Taken for what they are

They can still tear down our relations  
We won't stay the same  
Save what follows  
We can't stay the same  
What stays the same deceives the simple and  
We won't stay the same  
Save what follows  
We can't stay the same  
Save what follows  
We won't stay the same  
Save what follows  
We can't stay the same  
What seems the same deceives the simple and
