

Orbit, Why You Won't

Don't know why you won't
Dance with me
Don't know why you won't
Stand with me
Don't know you won't talk with me
Don't know why you won't play with me

Don't shake your head
Don't dig my scene
Don't break your bones
On my trampoline

Don't know why you won't
Come for me
Don't know why you won't
Pray for me

REPEAT CHORUS

Don't know why you won't
Make with me
Don't know why you won't
Take from me

REPEAT CHORUS
