

# Ordo Equilibrio, Mistress of Hourglass Figure

My loved doll, in rubber thong  
You know to whom, you do belong  
Your garters hold, your stocking strains  
Tender love, within restraint  
Tightened strings, crown your back  
6-inch heels, enhance your feet  
Seductress who, belongs to me

Naked Things, detained in lace  
I show you love, I show you grace  
Nipples firm, but in disguise  
Fastened garters, dress your thighs  
A corset holds, your body lush  
With lustful bonds, of sanctioned trust  
In stockings, you emerge to me  
My loved doll, in 6-inch heels
