

Ordo Rosarius Equilibrio, Reaping The Fallen, Th

Climbing the stairs of sorrow
To achieve completion
Listening to the sound
Of nails being struck
Into the hands
Of a million sons
Hanging...
From the ceiling of heaven
This is happiness
Heaven falling

Climbing the stairs of sorrow
Towards completion
Laughter staking
The hearts of shadow gods
Lost in the maze
Of condemnation
Where heretics smile
At the decay
All divine
I laugh with the heretics

Climbing the stairs of sorrow
In utter completion
I see no end
Of happiness
Looking at angels falling
Towards darkness
Where life still lives
Reaping the fallen
As the first harvest of life
