

# Orgy, Dissention Remix

## Dissention Remix

found out you're really something  
they talk about you  
then turn your confidence  
against you now  
into nothing  
grinning from the daze  
petrified and blazed  
feels good to know they care  
special friends  
simply two faced

chorus:  
you couldn't let go  
your talking got you here  
tearing up everyone  
respect you know

they say I'm jaded  
'cause they know its true  
with all those silly people  
on the wonder wheel  
glisten from the daze  
purified and crazed  
feels good to hear them share  
hateful friends  
simply two-faced

chorus:  
dont waste your preciouese time let live let go x3, ya sit around the table my  
gossip queen, shouldnt be talking dont wast your preciouese time let live let go  
x3, 'cause when i get ya your gonna say what you need, ive gotta get away from you  
'cause it done for now. dont waste your preciouese time (end)
