Orgy, You Spin Me Right Round

Watch out here I come, come (echoe) !!!!

Chorus:

You spin me right round, baby Right round like a record, baby Right round, round, round (x2)

If I, I get to know your name Well I, could trace your private number, baby

All I know is that to me You look like you're lots of fun Open up your loving arms I want some, want some

I set my sights on you (And no one else will do) And I, I've got to have my way now, baby

All I know is that to me You look like you're having fun Open up your loving arms Watch out here I come

Chorus:

You spin me right round, baby Right round like a record, baby Right round, round, round (x2)

I got to be your friend now, baby And I would like to move in just a little bit closer

All I know is that to me You look like you're lots of fun Open up your loving arms Watch out here I come

Chorus (x2)

All I know is that to me You look like you're lots of fun Open up your loving arms Watch out here I come

Chorus (x2)
