Ya pokidayu vas,

No v etot pozdnii chas

Ya ne budu gadat'

Skol'ko bit' chasam &quot;proshyai&quot;

Ya uhozhu seichas

No ya vernus' kogda

Upadyot zvezda

Na ladoni k vam i skazhetL &quot;Zdravstvui!&quot;

Kazhdii raz

Prihozhu ya k vam prolit' teplo

Kazhdii raz

Prinishu ya vam svoyo dobro

Kazhdii raz

Unoshu s soboi chastitsu vas

Kazhdii raz

Prinoshu eyo i daryu seichas

Ya pokidayu vas,

No v etoi lampy svet -

On eshyo ne pogas,

On gorit dlya vas

I darit lasku

Darit nadezhdu on,

Chto my kogda-nibud'

Soberyomsya zdes',

I opyat drug drugu skazhemL &quot;Zdravstvui!&quot;!
