

# Origa, Cradle, Cradle

Bayu-bayu, moyo solnce! Bayu-bayu, moi zvyozdy!  
Bayu-bayu, a lullaby  
Skoree, baju-baju, ty zasypaj na moih oblakah  
Bayu-bayu, moja radost', bayu-bayu, moi slyozy!  
Bayu-bayu, a lullaby  
Poskorej zasypaj  
Noch' v dom  
Otboli moja dusha  
I stan' sil'nee vetra  
Pozhelaj snov  
I zasni na nebesah  
Dajkoe, malen'koe chudo  
Moj malysh, dlja tebja  
Kolybel'naja  
Bayu-bayu, moyo solnce! Baju-baju, moi zvyozdy!  
Bayu-bayu, a lullaby  
Skoree, baju-baju, ty zasypaj na moih oblakah  
Bayu-bayu, moja radost', bayu-bayu, moi slyozy!  
Bayu-bayu, a lullaby  
Poskorej zasypaj, poskoree uznaj, poskoree ty uznaj  
Schast'e prihodit togda  
Kogda ego ty dolgo ischesh'  
I owutish' vse grani smysla  
Sokrovischa mira  
Otkroyutsya iz neдр zemli  
I' nispadut s nebes vesennim livnem  
Ty budesh' schastlivym!  
Bayu-bayu, moyo solnce! Bayu-bayu, moi zvyozdy!  
Bayu-bayu, a lullaby  
Skoree, baju-baju, ty zasypaj na moih oblakah  
Bayu-bayu, moja radost', bayu-bayu, moi slyozy!  
Bayu-bayu, a lullaby  
Poskorej zasypaj, poskorej zasypaj, poskorej zasypaj...
