Zalivaya svetom molebniye stroki  
Tayushiye v vechere dni nevozmozhno  
Povernut' i utro nazad

Alliluya, Alliluya  
Podnimaya toski vual'  
Uznayu proshyeniye  
Uznavaya dalyokuyu dal'  
Chrono-beloi strany  
Alliluya, Alliluya

Otrazhayut ot beloi steny
