

Origa, Queste Saranno

Queste saranno ben lagrim'et questi
Saranno ben caldi sospiri ardenti,
Altro amor, altre voci&altri accenti
Da piu amaro dolor svegliati e desti

The Kings are in motion
A King is being crowned
...We all await..
Praising and longing for
Peace in - the World
...love will prevail...

Anima bella, quel che sempr'havesti
Soave amor in questa valle oscura
Altro amor, altre voci&altri accenti
Da piu amaro dolor svegliati e desti

The Kings are in motion
A King is being crowned
...We all await..
Praising and longing for
Peace in - the World
...love is in the air...

The Kings are in motion
World in a rage
...We all await..
Praising and longing for
Peace in - the World
...love will prevail..

</lyrics>

==English translation==

<lyrics>

These will be good tears and these
will be good, hot ardent breaths
Another love, other voices and other accents
From more bitter pain, awakened and woken.

The Kings are in motion
A King is being crowned
...We all await..
Praising and longing for
Peace in - the World
...love will prevail...

Beautiful soul, that which you've always had
Gentle love in this dark valley
Another love, other voices and other accents
From more bitter pain, awakened and woken.

The Kings are in motion
A King is being crowned
...We all await..
Praising and longing for
Peace in - the World
...love is in the air...
The Kings are in motion
World in a rage
...We all await..

Praising and longing for
Peace in - the World
...love will prevail..
