

Origa, Rise

I'm a soldier,

,

*Save your tears
For the day
When our pain is far behind
On your feet
Come with me
We are soldiers stand or die

Save your fears
Take your place
Save them for the judgement day
Fast and free
Follow me
Time to make the sacrifice
We rise or fall

I'm a soldier, born to stand
In this waking hell I am
Witnessing more than I can compute

Pray myself we don't forget
Lies, betrayed and the oppressed
Please give me the strength to be the truth

People facing the fire together
If we don't, we'll lose all we have found

*repeat

Ogibaya virazhi, obgonyaya smyert' i zhizn',

Skol'ko b nityey nye plyol obman
Pokazhyet lik svyeta istina

</lyrics>
I'm a soldier meaning that I am
Both the defendant and the judge
I'm standing on both sides of the fire
Going around turns, overtaking death and life
I'm running to fight with the shadows of a lie

No matter how many threads deception would weave
Truth will show its face of light

*Save your tears
For the day
When our pain is far behind
On your feet
Come with me

We are soldiers stand or die

Save your fears
Take your place
Save them for the judgment day
Fast and free
Follow me
Time to make the sacrifice
We rise or fall

I'm a soldier, born to stand
In this waking hell I am
Witnessing more than I can compute

Pray myself we don't forget
Lies, betrayed and the oppressed
Please give me the strength to be the truth

People facing the fire together
If we don't, we'll lose all we have found

(Repeat *)

After a dream to the edge of a chasm
Only that way can the world be saved

Don't you cry, hide the tears
Because a new day will start
Your fire will be heated
By thousands of hearts
But now get up
Hide the pain and fear far away
The one who's right will win
Know that everything is in your hands

(Repeat *)
