La-la-la...

V moe zakrytoe okno  
Stuchalis' angely krylom  
Ya vpustila ih, i vse vdrug ozhilo vo mne  
Nebesnyi muzykal'nyi hor  
Dushi moei ulavlival akkord  
I orkestr angelov igral s moei dushoi

Must be talking to an angel

Perevernuli vse vverh dnom  
Napolniv komnatu serebryanym dozhdem  
I puskali strely, shutya i veselyas'  
Igrali angely gur'boi  
Na strunah serdtsa moego  
I sluchaino odnoi streloi zadeli moi &quot;pokoi&quot;

Must be talking to an angel

No byt' mozhetsya eto predstavlenie -  
Illjuzion voobrazhenija  
I nebesnoe vtorzhenie - fantaziya bol'noi dushi  
Ili, mozhetsya, vozrozhdenie  
Novyh chuvstv i novoi zhizni  
I bozhestvennoe penie - eto penie moih myslei
