

# Origa, We Can Hear Your Pulse

Uznat', chto budet  
Otkryt' mir lyudei  
S nachala sveta  
Svoego rozhdeniya  
Nepokorimi pul's...  
You can hear only pulse...  
Nepokorimii pul's...  
Vokrug vodi poka lich serdtse  
Slyshen tol'ko stuka novoi zhizni.  
Nepokorimii pul's...  
You can hear only pulse...  
Nepokorimii pul's...  
Nepokorimii pul's snova slyshu  
Nepokorimii pul's novoi zhizni  
Nepokorimii pul's  
Nebidimii angel  
I bol' i nadezhda:  
V nyom vsyo do kapli  
I v mat' i v osta  
You can hear only pulse  
Nepokorimii pul's...  
(Spasibo za to,  
Chto dali mne zhizn'... )
