LADY:

But you're not alone, Arthur!
Haven't you noticed?
I've been with you all the time!
Who gave you the sword?
Who made you king?
Who helped you find the quest?
Sure, I've been offstage for far too long
But, we had that great lounge number in Act One.
And, oh! We do scat great together!
No, no, I'm no Patsy .styrics
But I am here to help you
And I always have been!

ARTHUR:

And you really want me?

LADY:

More than ever!

BOTH:

Twice in every show!
There comes a song like this!
It starts off soft and low
And ends up with a kiss.
Oh, this is the scene
That ends like this.

LADY:

Find the grail, Arthur!
And when you do,
I'll be there
Waiting for you!
Goodbye!
Goodbye!
Goodbye!
