

# Orlando Brown, Will It Go Round In Circles

I've got a song I ain't got no melody  
How'm I gonna sing it with my friends  
I've got a song I ain't got no melody  
How'm I gonna sing it with my friends  
Will it go round in circles  
Will it fly high like a bird up in the sky  
Will it go round in circles  
Will it fly high like a bird up in the sky  
I've got a lil' story ain't got no moral  
Let the bad guy win every once in a while  
I've got a lil' story ain't got no moral  
Let the bad guy win every once in a while  
Will it go round in circles  
Will it fly high like a bird up in the sky  
Will it go round in circles  
Will it fly high like a bird up in the sky  
I've got a lil' dance ain't got no steps  
I'm gonna let the music move me around  
I've got a dance I ain't got no steps  
I'm gonna let the music move me around  
Will it go round in circles  
Will it fly high like a bird up in the sky  
Will it go round in circles  
Will it fly high like a bird up in the sky  
I've got a song I ain't got no melody  
How'm I gonna sing it with my friends  
I've got a song I ain't got no melody  
How'm I gonna sing it with my friends  
Will it go round in circles  
Will it fly high like a bird up in the sky  
Will it go round in circles
