Orleans, Love Takes Time

Still The One Orleans

words and music by John Joseph Hall and Johanna D. Hall - #5 hit in 1976

We've been together since way back when

Sometimes I never want to see you again

But I want you to know, after all these years

You're still the one I want whisperin' in my ear

You're still the one -- I want to talk to in bed

Still the one -- that turns my head

We're still having fun, and you're still the one

I looked at your face every day

But I never saw it 'til I went away

When winter came, I just wanted to go (wanted to go)

Deep in the desert, I longed for the snow

You're still the one -- that makes me laugh

Still the one -- that's my better half

We're still having fun, and you're still the one

You're still the one -- that makes me strong

Still the one -- I want to take along

We're still having fun, and you're still the one (yes you are)

Changing, our love is going gold

Even though we grow old, it grows new

You're still the one -- that I love to touch

Still the one -- and I can't get enough

We're still having fun, and you're still the one

You're still the one -- who can scratch my itch

Still the one -- and I wouldn't switch

We're still having fun, and you're still the one

You are still the one -- that makes me shout

Still the one -- that I dream about

We're still having fun, and you're still the one

You're still the one, yeah still the one

We're still having fun, and you're still the one
