

# Orquesta Del Desierto, Above The Big Wide

Been driving all night  
Home is far behind  
My thoughts are on rewind  
Cause she is on my mind

Start the show  
Painted pictures  
Still figures in a life

Don't cry tonight  
Gonna be all right

Above the big wide  
Rest and close my eyes  
Thoughts are on rewind  
Cause she is on my mind

Start the show  
Stage the actors  
Still figures in a life

Don't cry tonight  
Gonna be all right
