

# Orson, Downtown

Is your situation  
working out?  
Well, I heard your playstation  
-uh- let you down.  
So come downtown, hangin' around, alright.

Eh.

Did you dissapoint the chairman  
of the board?  
And now your days getting longer  
than they did before?  
You should come  
downtown, hangin' around, alright.

Yeah.

There is always room for one more,  
all together now.

Yeah.

Hey!

We know you've been such a good boy,  
but now the day is done.  
Are you waiting to get older  
to have a little fun?  
You should come  
downtown, hangin' around, alright.

Alright ye-eah.

Do you think that it would kill you  
to take a holiday?

Oh yeah.

Make a call,  
tell a lie,  
watever it takes to get to  
downtown, hangin' around, alright.

Alright, yeah.

There is always room for one more,  
all together now.

Forget about the boss and the boss' committee,  
everyone you know is comin' down the city now.

{Uh Ha - Uh Ha.}

Why you wanna sit out until the weekend?  
The gang's all here, there's only one that's missing now.

Ye-yeah.

There is always room for one more,  
all together now.

Oh Ye-ah.

Come downtown, hangin' around, alright.

Downtown, hangin' around, alright.

Downtown, hangin' around, alright.  
Downtown, hangin' around, alright.

Alright, alright.

Downtown, hangin' around, alright.
