

# Orson, Gorgeous

Am I only dreaming  
did the world slow down?  
don't believe I've ever seen you around  
When did you get here?  
How long have you been here?

I'm bending over backwards,  
for a better view  
and there is nothing  
that I wouldn't let you do  
If you were near  
If only you were near

Are you from out of town or outer space?  
So glad to see you landed in this place  
You're so gorgeous  
It's killing me  
And we know  
that you know  
that I know

won't you give me something  
I'd give anything  
And we know  
that you know  
that I know

I'm hanging on to every word you haven't said  
And I'm already holding you inside my head  
oh can't you see?  
Just what you do to me?

A gift for breaking  
every heart in here  
But you already know that,  
don't you dear?

You're so gorgeous  
It's killing me  
And we know  
that you know  
that I know

won't you give me something  
I'd give anything  
And we know  
that you know  
that I know

The hand that you are holding,  
should be mine  
The lips you are kissing,  
should be mine, mine

You're so gorgeous  
It's killing me  
And we know  
that you know  
that I know  
won't you give me something  
I'd give anything  
And we know  
that you know  
that I know
