

# Os Mutantes, Technicolor

Please don't you ever ask me things I wouldn't like to talk about  
It's time to get in touch with things, we always used to dream about  
I'll take a train in technicolor  
Come along be nice to me my girl  
Through the window, the nice thing on earth will pass by  
Moving slowly  
Though the wide screen I'm gonna see me kissing you babe  
In technicolor  
Oh ! What a nice film we would be, if only you could come with me  
It's time to get in touch with things we only used to care about  
I'll take a train in technicolor  
Come along be nice to me my girl  
Through the window, the nice thing on earth will pass by  
Moving slowly  
Though the wide screen I'm gonna see me kissing you babe  
In technicolor
