

Oscar Brand, Democrats, Good Democrats

Our country calls on us tonight
Democrats, good Democrats!
To battle bravely for the right
Democrats, good Democrats!
Eight years ago we won the prize
And then were robbed by tricks and lies
Of freedom's foes in friends' disguise
Democrats, good Democrats!

Our gallant Cleveland is the man
Democrats, good Democrats!
To whip the whole BlaineLogan clan
Democrats, good Democrats!
He is a statesman brave and true
He'll get the grey, he'll get the blue
He's just the man for me and you
Democrats, good Democrats!

Yes, Cleveland is of all the best
Democrats, good Democrats!
He'll win the east, he'll win the west
Democrats, good Democrats!
No treason stains fair Cleveland's skirt
No rings have soiled his robes with dirt
They'll wave no more the bloody shirt
Democrats, good Democrats!
