

Oscar Brand, Get On A Raft With Taft

The time has come, the fight is on
We've picked the man to run
For President Ohio sent
Her noble worthy son
The man we need, the man to lead
Our strong and mighty craft
Through storm and sea!
to victory!
It's William Howard Taft!
Ah!

Get on a raft with Taft, boys
Get on the winning boat
The man worthwhile with the friendly smile
Will get the honest vote
He'll save the country sure, boys
From Bryan, Hearst, and graft
So all join in, we're sure to win
Get on a raft with Taft!

Of Bryan's bluff we've had enough
He'll talk you deaf and blind
The million trusts he's going to bust
Are only in his mind
Seems he has run since Washington
First started in the game
If his legs were gone
He'd keep right on
A-running just the same
Oh...

Get on a raft with Taft, boys
Get on the winning boat
The man worthwhile with the friendly smile
He'll get the honest vote
He'll save the country sure, boys
From Bryan, Hearst, and graft
So all join in, we're sure to win
Get on a raft with Taft!
Get on a raft with Taft!
Get on a raft with Taft!
