

Oscar Brand, Marching Down To Washington

We're marching down to Washington
To shake hands with John F. Kennedy
Marching down to Washington
The way they used to do
We're marching down to Washington
To shake hands with Lyndon Johnson
Marching down to Washington
The way they used to do

With Kennedy and Johnson
The way it ought to be
We'll be in Washington, D. C.
Dancing at the President's jubilee
We're marching down to Washington
To shake hands with John F. Kennedy
Marching down to Washington
The way they used to do

With Kennedy and Johnson
The way it ought to be
We'll be in Washington, D. C.
Dancing at the President's jubilee
We're marching down to Washington
To shake hands with John F. Kennedy
Marching down to Washington
The way they used to do
