

Oscar Jensen, Love of My Life

I was born on
A rock in space
Felt mother's love
And father's grace

This rushing world
Forgets to see
What a miracle
A life can be

Never loose your hope
And right to beign free
Treat yourself to the fullest
In the only life
You will ever be!

Oscar Jensen 'Love of My Life' - piosenka zgłoszona do preselekcji na reprezentanta Polski na 66.
