

Osmonds, Let It Snow

Oh the weather outside is frightful,
But the fire is so delightful,
And since we've no place to go,
Let It Snow! Let It Snow! Let It Snow!

It doesn't show signs of stopping,
I've bought some corn for popping,
The lights are turned way down low,
Let It Snow! Let It Snow! Let It Snow!

When we finally kiss goodnight,
How I'll hate going out in the storm!
But if you'll really hold me tight,
All the way home I'll be warm.

oh The fire is slowly dying,
And, my dear, we're still good-bying,
But as long as you love me so,
Let It Snow! Let It Snow! Let It Snow!

when we finely say good night
how ill hate going out in the storm
but if you really hold me tight
all the way home ill be warm

oh the fire is slowly dieing
and my dear we're still goodbyeing
and as long as you love me so
let it snowwww, let it snowww, let it snowww
ooo snow flakes falln' on the tree tops
ooooo snow flakes falln' on the tree tops
(repeat and fade)
