

Oszibarack, Liquid Song

if i just
poured from the lips to the table
fill the room with me
if i locked
the door just to be on the safe side
fill the room with me
it's like a tihgt-lipped
uuu liquid scream
I float up
the cup runs over
to saturate
stilnessit's
all it seems to you
my heart faints on sight
lucky me
here comes the night
i turn a dear in a dream

it's like a tihgt-lipped
uuu liquid scream
it's like a tihgt-lipped
I float up
the cup runs over
to saturate
the cup runs over
to saturate...
