

# Otilia, Sleepless Nights

Take it all off me and I'm surprised  
I get all I need I realised  
In sleepless nights  
In sleepless nights

Get it out of me and let it loose  
Keep it coming baby Get me used  
To sleepless nights  
To sleepless nights

Lately I been thinking about you  
Been thinkin' bout the things we used to do  
In sleepless nights  
In sleepless nights

On and on I catch you in my mind  
I'm moovin on but I go back in time  
In sleepless nights  
In sleepless nights

It's been a long long time  
But We can't forget  
It's been a long long ride  
Don't you see don't you see  
It's been a long long time  
We can forget  
I think it's time to let you go
