

Otilia, Sleepless Nights

Take it all off me and I'm surprised
I get all I need I realised
In sleepless nights
In sleepless nights

Get it out of me and let it loose
Keep it coming baby Get me used
To sleepless nights
To sleepless nights

Lately I been thinking about you
Been thinkin' bout the things we used to do
In sleepless nights
In sleepless nights

On and on I catch you in my mind
I'm moovin on but I go back in time
In sleepless nights
In sleepless nights

It's been a long long time
But We can't forget
It's been a long long ride
Don't you see don't you see
It's been a long long time
We can forget
I think it's time to let you go
