

# Otilia, Song Amor real (Remix)

Somebody help me out  
Is there anyone around?  
I can't let go.  
My heart is torn apart  
I don't know where to start  
Can't do this no more.  
He's always on my mind  
Always on my mind  
I wanna run for my life.  
Always in my heart  
Tearing me apart  
I wanna run away tonight.  
Yo no quiero caer  
No Quiero Volver  
No Puedo Estar En La Locura Contigo.  
Ya no me siento igual  
Buscando Amor real  
Por ti no dejo el corazón partido  
Por ti no dejo el corazón partido.  
I thought we're meant to be  
I thought that you and me  
Would never get so cold.  
I feel I'm going down  
And Laying on the ground,  
There's no one I can hold.  
He always told me lies,  
A devil in disguise  
A part of me can't deny  
I still feel love for you  
And don't know what to do.  
I can't get you out of my mind.  
Yo no quiero caer  
No Quiero Volver  
No Puedo Estar En La Locura Contigo.  
Ya no me siento igual  
Buscando Amor real  
Por ti no dejo el corazón partido.  
Yo no quiero caer  
No Quiero Volver  
No Puedo Estar En La Locura Contigo.  
Ya no me siento igual  
Buscando Amor real  
Por ti no dejo el corazón partido  
Por ti no dejo el corazón partido.  
Somebody help me out  
Is there anyone around?  
I can't let go.  
My heart is torn apart  
I don't know where to start  
Can't do this no more.  
He's always on my mind  
Always on my mind  
I wanna run for my life.  
Always in my heart  
Tearing me apart  
I wanna run away tonight.  
Yo no quiero caer  
No Quiero Volver  
No Puedo Estar En La Locura Contigo.  
Ya no me siento igual  
Buscando Amor real  
Por ti no dejo el Corazón partido.  
No quiero caer  
No Quiero Volver

No Pueda Estar En La Locura Contigo.  
Ya no me siento igual  
Buscando Amor real  
Por ti no dejo el corazón partido.
