

# Otis Redding, Don't Mess With Cupid

Cupid draw back your bow  
and you let your arrow go  
straight to my lover's heart for me  
nobody but me

Cupid please hear my cry  
and let your arrow fly  
straight to my lover's heart its for me

Now I don't need to bother you, but I'm in disstress  
There are dangerous of losing all of my happiness  
but just between the two of us our love is conceiled  
so help me if you will

Cupid if you make your arrow make it for me  
make it for me  
I promise I will love you to eternity
