

# Otis Redding, Good To Me

I don't know what you got baby  
But you're so good to me  
I don't what you're doing wrong to me baby  
But you're so good to me

Honey, I've been loving you for a long time  
And you're still good to me  
I've been loving you woman, twenty long years  
I'll love you twenty more  
'Cause I've got that will to try, huh

I remember those sweet kisses you give me last night  
And man they we're so good to me  
All of that good, good, good old loving you give me, baby  
Honey, we were sure good to me

I've been loving you woman, twenty long years  
If it takes forty more  
Honey, I let my will to try, huh

I don't know what you're doing to me, baby  
But it sure is good to me  
Whatever you do wrong honey, I don't care, baby  
Because you're so good to me

I'm gonna keep loving you woman, for twenty more years  
After that I'm going for forty  
'Cause I got my will to try

I've been loving you woman too long  
But I'm just gonna keep on loving you all day long, honey  
I'm never gonna dissatisfy you in no kind of way, honey  
And I'm gonna love you baby long in the early morning sun  
You're just so good to me baby  
And I love, love, love you, honey  
I just love, love, love you, baby  
I just keep on loving you honey  
'Cause you're so good to me  
So so good to me...
