

Otis Redding, Let Me Be Good To You

Baby, let me be good to you
Ill do anything you want me to
Your love has brought me around
Every time I was feeling down
But Im so glad you give me everything I got

Baby, let me be good to you
Now sit in your easy chair
What you want Ill bring it there
Even good can be better
Heres my love on a silver platter
Take it all

Baby, let me be good to you
Here it istake it all
And dont be shy
You need your alibi
I want to do it

Baby, let me be good to you
Here it is, girl
I just want you to just take me all
Dont want you to be shy, Carla
You dont need no alibi
Baby, let me be good to you
Baby, let mel want to be good to you
