

# Otis Redding, Security

I want security, yeah  
Without it I had a great loss, oh now  
Security, yeah  
And I want it at any cost, oh now

Don't want no money, right muh now, muh now, muh now  
I don't want no fame  
But security I have all of these things, yeah  
All of these things, yeah, now  
Security, yeah  
That's all I want from you, oh now  
Security, yeah  
And a little love that will be true, oh

Those sweet tender lips you know they tells me that  
You're the one for me

Darling, how can I forget  
How can I forget, yeah now

I want security, yeah  
I'm telling you, once say again, oh now  
Security  
And I want it in the end, oh

Those sweet tender lips you know they tells me that  
You're the one for me  
Darling, how can I forget  
How can I forget, yeah now

Alone with just a little bit of soul, right now, now, baby  
Darling, everything is gonna be allright  
One more time, just one more time, baby...
