

# Our Lady Peace, I Loved You All Along

I walked around my good intentions  
And found that there were none  
I blame my father for the wasted years  
We hardly talked  
I never thought I would forget this hate  
Then a phone call made me realize I'm wrong  
And if I don't make it  
Know that I've loved you all along  
Just like sunny days that  
We ignore because  
We're all dumb and jaded  
And I hope to God I figure out what's wrong  
I walked around my room  
Not thinking  
Sinking in this box  
I blame myself for being too much like somebody else  
I never thought that I'd just bend this way  
Then a phone call made me realize I'm wrong  
And if I don't make it  
Know that I loved you all along  
Just like sunny days that  
We ignore because  
We're all dumb and jaded  
And I hope to God I figure out what's wrong  
And I hope to God I figure out what's wrong  
I hope to God I figure out what's wrong  
If I don't make it  
Know that I loved you all along  
Just like sunny days that  
We ignore because  
We're all dumb and jaded  
And I hope to God I figure out what's wrong  
And if I don't make it  
Know that I loved you all along  
Just like sunny days that  
We ignore because  
We're all dumb and jaded  
And I hope to God I figure out...
