

Our Lady Peace, Julia

Can you see her standing there,
Well she's trying to find just anywhere.
Flowers in her hand, yes
She doesn't know why.

Offered is advice to you,
And all you do was fake it.

[Chorus]
And she's only yours tonight,
Oh she never cries.
But I know there's pain inside,
There's Julia.

Drowning in her own visions,
When she's begging the past to stay behind.
Black cat in the night,
Black cat in the sky.

Offered is advice to you,
You left, but I don't blame you.

[Chorus]
And she's only yours tonight,
Oh she never cries.
But I know there's pain inside,
There's Julia.

Digging up the past,
To cross that line,
To bury it, one last time.

Offered is advice to you,
and all you do was fake it.
I know there's pain inside this truth,
But you just have to face it.

And she's only yours tonight,
Oh she never cries.
Mother, I know there's pain inside
There's Julia (yeah) x4
(No, yeah, no, yeah)
