

Our Lady Peace, Our Time Is Fading

played live during Gravity tour

Cut my wings, I'm growing them back today

Tomorrow's uptight, tomorrow's a bribe, tomorrow's not today

So I don't want to feel alive

I don't want to touch the sky

Will everybody trip? Will everybody slip?

Come down, come down

And I know our time is fading

And I know you're here to save me

I've been patiently waiting

It's alright, it's alright, it's alright

And I know where I've been failing

And I know there is no escaping

I've been patiently waiting

It's alright, it's alright it's all...

Trap me up, you're up in my face

Tomorrow's a bribe, tomorrow's a bribe, tomorrow's not today

So I don't want to fall on time

And I don't to feel alive

Will everbody trip? Will everybody slip?

Come down, come down

Well I know our time is fading

And I know you're here to save me

I've been patiently waiting

It's alright, it's alright, it's alright

And I know where I've been failing

And I know there is no escaping

I've been patiently waiting

It's alright, it's alright, all.. right...

Yeah...

You-ohh

Yeah-ahhhh

Yeah, ahhhh, ahhhhhhhhhhhhh

Cut my wings off

Suffocate me

And I know our time is fading

And I know there's no escaping

I've been patiently waiting

It's alright, it's alright, it's alright

And I know where I've been failing

And I know there is no escaping

I've been patiently waiting

It's alright, it's alright it's alright
