

Ours, Mercy

In his heart he's thinking that he's Ours
Teach him to be Ours
In his heart he couldn't ever find
'cause he might take his life
Teach him to be Ours
We went blind
Waiting for a sign, just waiting for a sign
Couldn't see and dying
Waiting for a sign, just waiting for a sign
It's hard pretending that it's not
Still we're reaching
What do we want?
We went blind
Waiting for a sign, just waiting for a sign
Could'nt sleep and dying
Waiting for a sign, just waiting for a sign
Mercy for the meek
Mercy for the meek
Mercy for the meek
Mercy for the meek, i won't let you go...
I won't leave you now
