

Out of Eden, All You Need

oh lord it's another day; nothing seemed to go my way
and i know that i can't complain
cause you've been so good to me
but here i am burdened again,
and i can't seem to find my friend
whose name is hope and i can't pretend that i'm not weary so
(why does it always seem that i) keep losin,
no matter what i'm doin
(all i want to do is live this life)
so i'm prayin then i hear you sayin

don't look no further cause i'm all you need
no matter the problem the answer's in me
i'll give you courage and i'll give you peace
when you get tired you can lean on me

oh it's hard to understand, that there is a master plan
that he's got our life in his hands and there is reason
and a time and season, to everything that comes along
though it seems all faith is gone, just keep on believing
and you'll hear him say to you

don't look no further cause i'm all you need
no matter the problem the answer's in me
i'll give you courage and i'll give you peace
when you get tired you can lean on me

while you're hesitating, know that the lord is waiting
instead of all this worrying and wondering
here's what you should do
know he'll see you through,
he cares for you and you should know
he'll never let you go

don't look no further cause i'm all you need
no matter the problem the answer's in me
i'll give you courage and i'll give you peace
when you get tired you can lean on me

don't look no further cause i'm all you need
no matter the problem the answer's in me
i'll give you courage and i'll give you peace
when you get tired you can lean on me
