

Out of Eden, Giving My All

So overwhelmed by all the trouble that you face
Steadily searchin' wanting to find peace in this place
Oh so certain that you will come to a better day
And you're believing that it'll come by your own way
You have forgotten everything that you once said
How you would never let success get to your head
Now you'll do anything to make it on your own
But nothing you do changes the fact that you are still so alone, but if you

Chorus:

IF YOU WANT TO GET TO HEAVEN

YEAH

YOU'VE GOT TO COUNT THE COST,

PICK UP YOUR CROSS

IF YOU WANT TO LIVE FOREVER

YOU BETTER CHECK THE TIME,

MAKE UP YOUR MIND

Do you know that there is a possibility

What you are looking for ain't all it's cracked up to be

So what'll happen when your fame and fortune's through

And you are forced to reconcile with all that you were meant to do

I know that it seems there's no way out

And your heart is filled with doubt cause you've given all you've got

But I feel that if strive for success is all you do

So that riches come to you, it won't last longer than you, but if you

(repeat chorus)

(bridge)

(chorus out)
