

Out of Eden, Good Time

Everyday I face my fears
Will I make it through the years of all the pressures,
All the bad times that come my way
And then there's the enemy around
Who wants to make me lose my ground for earthly treasures
All the wrong paths that I could take
But I've decided that my goal
Is to give you sole control and to love you
Because you've done just so much for me
Oh, you've set my spirit free
And you've cared so faithfully I want to know you
And everything that you are

Chorus:

I am giving my all to you
Tryin' to do the best I can to make sure that I do your plan
I'm giving my life to you
Gave me life and set me free you put your light inside of me
I never knew life could be so tough
Or that this race would be so rough, but though I struggle
I know I'll be alright in the end
'Cause every time that I fall down
You have always been around to be near me
To wrap me in your arms again
How you shower me with grace
Every time I see your face and you love me
So that I don't want to do wrong
So to you I sing this song and I pray for help
To keep on goin', never stop

(chorus)

Oh, through my life's story, I want to give you glory
Life tries to bring me down, for your love I'll stand my ground
Your heart has received me, and you will never leave me
No time to play the games, now that I know that you came to save me
(chorus out)
