

# Out of Eden, Greater Love

All of my life I've dreamed  
It'll never come to me  
It's here and now I know it's more than any of the love could be  
I never thought I'd know,  
Someone who love me so  
To go as father (?)died  
for his love for me would show  
I searched all over,  
but I still couldn't find, no  
Someone to give me love, to heal my hurt and ease my mind  
I saw affection, tried everything new  
Didn't even know that I was lost without a clue

Chorus:

But you have opened my eyes  
To a greater love  
You have opened my eyes  
to a greater love  
I used to be so blind  
But now its clean in me  
How your loved was displayed on what you did on Calvary  
I've got to tell the world, that they might turn to you  
TO find without (don't know) to really see how you  
have captured my soul and you have made me whole  
and you have set me free because I have givin' you control  
You have been in my heart, and I have been redesigned  
Because with everything you are, you've been blowing my mind

Chorus:

You have opened my eyes  
to a greater love  
You have opened my eyes  
to a greater love  
(Don't know) never ever change  
for he has rearranged my mind  
I have seen that it will never go away 'cause it's true R-E-A-L-I-T-Y  
You have captured my soul and you have made me whole  
and you have set me free 'cause I have givin' you control  
you have been in my heart and I've been redesigned  
Because with everything you are, you have been blowing my mind

Chorus:

You have opened my eyes  
to a greater love  
(Continually until musical part)  
You have opened my eyes  
(Continually until fade)
