

Out of Eden, Lookin For Love

lookin for love, lookin for love,
lookin for, lookin for, lookin for love
(2x)
your heart is broken
and ur wondering
what u can do to ease the hurt and pain u feel
ur lettin these no ones
get in closer
than they need to cuz ur lookin for love
wo, oh i've got a feelin
that no one's told u
no one's bothered at all to give u what u need
so ur out searchin
for someone to hold on to
but u don't know it's right here
if u'd only see

CHORUS:

lookin for love in all the wrong places
just to find someone who can erase
the hurt and if u could u'r get a potion
the love i've got is deeper than an ocean
lookin for love u know that i can show u
cuz what i've found goes on and on and on
and u never hafta worry about it bein gone

ur on ur own now, doin ur own thing
say u don't need nobody's help to make it through
(but ur really waistin ur time) ur still lonely
(and u know that ur gonna find)
that ur only left more empty then u were b4
oh but i'm tellin u
u don't hafta look around
let me tell u bout the love that i have found
everything that ur heart needs,
it's just right here, right here waitin
no u don't hafta look no more
real love is knockin on ur door
everything that ur soul needs
it's just right here,
right here waitin for u

(repeat CHORUS)

RAP

now there's puppy love and crushes,
such as girls meets boy
goin out and do u like me
checkin yes or no
well i wuz lookin for love in the deepest of all places
when i found it on a 2-way street
lifted in spaces
the status of a broken heart
eternity while the phony1
love is blind, I'm fallin it while i'm bumin into hurdles
since i got most all love and we can feel it in this presence
i got it closer than close,
why try to reach it long distance

o my friend i'm tellin u
i've been there myself a time or 2
when i wuz just runnin round
to find peace for my heart
when it's been broken down

there's something that u need to see
this1 who made u
loves u pleez believe
it's all u need to get by,
and now ur somebody
so just tell me why ur.....

(repeat chorus 2x)

lookin for love, lookin for love,
lookin for, lookin for, lookin for love
(2x)
