

Out Of Your Mouth, I'm Ugly

Suck My D***

Ooh..I'm ugly
Ooh..I'm ugly

What do you suppose would be the beautiful way
To save face in a place where people get by without
being pretty seems to fit the ones who think they are
They obviously are
How many times can we look at your face and
Believe every word you say?
As much as you think I'd like to live in your shoes
I wouldn't hesitate to throw them away

Suck My D***

Ooh..I'm ugly
Ooh..I'm ugly

Secure from headlice burn all the cool clothes
The plastic fat asses and the brand new nose
The crooked smile and the phoney voice
All the dreams, All the choice
How many times can we look at your face and
Believe every word you say?
As much as you think I'd like to live in your shoes
I wouldn't hesitate to throw 'em away

Suck My D***
Suck My D***
Suck My D***

Ooh..I'm ugly
Ooh..I'm ugly
Ooh..I'm ugly
Ooh..I'm ugly
