

Outcast Youth, The Pledge

(Verse 1)

Dear Lord,
Show me how to strike a chord,
Cause it feels like nobody listens to Paul and ofcourse your message doesnt matter no more, caus
Fiends and addicts take a trip of acid.
On the mic scream 'JESUS MASSIVE'
Religion - Just like Jurassic Park,
Great Ideals!
But they're stuck in the dark ages,
And Catholics you need to change this,
Cause you follow the rules but you dont have God in you.
You go to church on a sunday but on a monday do you live for God?
If not you need to find a new way to praise his name.
Just pray and take this pledge with me;
Lord God I give my all to you,
Cleanse my soul.
I worship you.

(Chorus)

I Will.. Promise to live strong. Bring your message along with my songs.
And I Will.. Let my Spirit Fly! A Beacon of light for those who cry..
I Will.. Never lose sight of the power of your Awesome might Lord Jesus..

(Verse 2)

I will.. Never be ashamed of your name,
Never be afraid to say who rescued me from the depths of oblivion.
Jesus; Your way I'm living.
Forget about lies, allow me to Testify how God can change your life!
Here's a story about a boy who wasnt very cool,
Bit of a Misfit- dropped out of school.
Became reclusive, couldnt leave his room.
Panic attacks had him scrawl help on the wall.
Curled in a ball feeling depressed.
Grabbed a knife out the drawer and slit his wrists.
Salvation came in the name of Louise Rain,
She cleaned him up,
Made him feel whole again!
She told him "God has a plan for you"
&"If you just believe he's gonna save you"
This story's not a parable it's reality.

How do I know?
The boy was me..

(Chorus)

I Will.. Promise to live strong. Bring your message along with my songs.
And I Will.. Let my Spirit Fly! A Beacon of light for those who cry..
I Will.. Never lose sight of the power of your Awesome might Lord Jesus..

(Verse 3)

I will.. Thank you til the day I die for the way which you saved my life.
I appreciate every single thing you gave me!
Every drop of blood that you bled to save me!
You forgave me for all the bad things I did,

Lord Father.. I'm so glad to be your kid!
I'll give anything to walk with you,
Step with me!
Worldwide Jesus Crew!
Let your spirit fly,
Let your heart be a beacon of light to show the world how we do this right.
Bow Down, Lay your crown at his feet.
Let the Love shine through to everyone you meet.
You're a messenger!
So spread the word..
JESUS CHRIST IS GONNA RETURN!
Speak up.
Are you gonna tell your friends?
I guess that really depends..
Are you gonna raise your hand?
Are you gonna take the vow?
Step with me.
The Revolution is Now!

(Chorus)

I Will.. Promise to live strong. Bring your message along with my songs.

And I Will.. Let my Spirit Fly! A Beacon of light for those who cry..

I Will.. Never lose sight of the power of your Awesome might Lord Jesus..

I will.. Forever follow you.
