

Outkast, A Bad Note

[Andre 3000]

A bad note ain't no bad note

If it's a good note

A bad note ain't no bad note

If it's a good note

A bad note ain't no bad note

If it's a good note

A bad note ain't no bad note

If it's a good note

A bad note ain't no bad note

If it's a good note

A bad note ain't no bad note

If it's a good note

A bad note ain't no bad note

If it's a good note

A bad note ain't no bad note

If it's a good note
