

# Outkast, Bad Note

[Andre 3000]

A bad note ain't no bad note  
If it's a good note  
A bad note ain't no bad note  
If it's a good note  
A bad note ain't no bad note  
If it's a good note  
A bad note ain't no bad note  
If it's a good note

A bad note ain't no bad note  
If it's a good note  
A bad note ain't no bad note  
If it's a good note  
A bad note ain't no bad note  
If it's a good note  
A bad note ain't no bad note  
If it's a good note
