

Outkast (feat. Erykah Badu, Big Rube, Cee-Lo), L

And there's a, and there's a
And there's a, and there's a, finnne.. linnne
Too late to pray that I'm on it..
Ya, yeah, yeahhhh

[OutKast]

Y'all, uh-huh, y'all

[Andre Benjamin]

And there's a fine line between love and hate you see
Came way too late, but baby I'm on it..

And there's a fine line between love and hate you see
Came way too late, but baby I'm on it..

Can't worry bout, what a nigga think now see
That's Liberation and baby I want it..

Can't worry bout, what anotha nigga think
Now that's Liberation and baby I want it..

[Big Boi]

(Let me hear it, let me hear it, let me hear those, let me hear those)

How many times I, sit back and contemplate

I'm fresh off the dank, but I'm tellin my story..

My relationship, with my folks is give and take

And I done took so much, not givin my glory

Now have a choice to be who you wants to be

It's left uppa to me, and my momma n'em told me (yes she did)

I said I have a choice to be who you wants to be

It's left uppa to me, and my momma n'em told me

[Cee-Lo]

No, nooo, noooooooooo

I'm so tired, it's been so long - struggling, hopelessly

Seven and forty days.. heyyy

Ohhhh, I sacrifice every breath I breathe

To make you believe, I'd give my life awayyyy

Oh lord, I'm so tired, I'm so tired

My feet feel like I walked most of the road on my owwwwwn

All on my owwwwwn, weeeeeeee..

We alive or we ain't livin, that's why I'm givin until it's gone

Cause I don't wanna be alone (I don't wanna be alone)

I don't wanna be alone.. yeahhhheeeeeee

If there's anything I can say, to help you find your way

Touch your soul, make it whole, the same for you and I..

There's not a minute that goes by that I don't believe
that you die.. but I can feel it in the wind

The beginning or the end

But people keep your head to the skyyyyyy

[singers in background over interlude]

Shake that load off, shake that load off [16X]

[Erykah Badu]

Folk in your face, you're a superstar

Niggaz hang around cause of who you are

You get a lot of love cause of what you got

Say they happy for you but they really not

Sell a lot of records and you rollin in

Swoll up in the spot, now you losin friends

All you wanna do is give the world your heart

but the label tried to make you compromise your art

You make a million dollars, make a million mo'

First class probably treat you like a nigga po'

You wanna say "Wait!" but you're scared to ask

as your world starts spinning and it's moving fast

Try to stay sane, it's the price of fame

Spending your life trying to numb the pain

You shake that load off and sing a song

Liberate the minds, then you go on home..

[Big Rube]

I must admit, they planted a lot of things

in the brains and the veins of my strain
Makes it hard to refrain, from the host of cocaine
From them whores, from the flame
From a post in the game
Makes it hard to maintain focus
They're from the glock rounds, and lockdowns, and berries
The seeds that sow, get devoured by the same locusts
Cause it's a hard row to hoe
if your ass don't move, and the rain don't fall
And the ground just dry
But the roots are strong, so some survive
So you're surprised, now I'm bustin cries
You got more juice than Zeus
Slangin lightnin tryin to frighten
Plains dwellers, of the Serengeti
But get beheaded when you falsely dreaded
Melanin silicon and collagen injected
Dissectin my pride, fool I don't wanna get it started
We be the lionhearted, without a fantasy
It's like that red sprite, you can't imagine it
unless you lookin at the canvas of life
and not through the peephole of mortality
Single minded mentality
Gettin over on loopholes
Gettin paid two-fold on technicalities
Clickin your heels, scared to bust how you feel
Pack the steel
Pickin cotton from the killing fields with no toe
I don't we in Kansas no mo' though
Midwest or Dirty South
Clean dressed or dirty mouth
Whether robbin preachers or killin Poor Righteous Teachers
You a scared demon
Shouldn't be allowed to spread semen
And your cowardly lies never defyin the jackals who babble
Runnin with they pack, tail between your legs
Though the man on your head say the story
As you downplay your glory
Cacklin, helpin the shacklin of your brethern happen
Just by rappin..
LIBERTAD..
